

## IT IS NEARLY OVER

The Resort Season Is Drawing to a Close.

## SOCIETY LOOKING FOR NEW

Colors to Be Worn in the Autumnal Months—Among the People Here and Elsewhere.

Now that the days are growing cooler interest in fall styles is awakening. Persons returning early from the resort consult the modiste as to the colors and shades of color to be worn during the bright days of early autumn. Such gay colors have been worn all the summer that brightness of toilet will undoubtedly prevail well into the winter. Never have bright shades of red, pink, blue, yellow and even purple been so popular as this season, while there has been also a perfect craze for white. A real novelty has been the white and gray colored shoes for street wear. With white toilets, white silk stockings and white canvas or suede shoes have been indispensable. Those who desired striking effects varied their costumes by wearing red hose and shoes, red gloves and a hat ablaze with poppy red ribbon. A favored material has been white china silk, it is so soft, so cool and so pretty. It does duty in morning gowns, piazza gowns and ball dresses, being particularly appropriate for the latter. It will not deprecate in favor as the season advances, but will be a popular material for house gowns and party dresses all winter.

E. church, assisted by the Rev. Oscar Guthrie of Kearney, Neb., brother of the groom. The bride wore a simple gown of white tulle and carried a bouquet of pure white sweet peas. She observed the custom and p. v. German custom of wearing a crown of myrtle. The parlors were exquisitely decorated with pink and white sweet peas, combined with maiden hair ferns. There were drapings of smilax with tropical plants set here and there. A line of delicate pink gladioli surrounded the piano. Light refreshments were served, after which Mr. and Mrs. Guthrie departed for a trip among the northern resorts. After they return they will reside at Ann Arbor, where Mr. Guthrie, though a P. D., will take a post graduate studentship during the coming year. A number of very handsome gifts were sent in, though the wedding was strictly private, being attended only by the immediate relatives of the bride and groom.
